

The SC Assistive Technology Program has an exciting job opportunity!

If you would like to be part of a dynamic team, work with students of all ages with learning disabilities, give trainings, conduct demonstrations of assistive technology, participate on state-wide committees that serve people with disabilities, and assist with other activities of SCATP, go to:

uscjobs.sc.edu/applicants/Central?quickFind=77579 and apply to be a Program Coordinator II, School of Medicine, Pediatrics, Center for Disability Resources.

Thank you,

Carol Page
